

About Habitat for Humanity

Mission Statement

Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses so that there are decent houses in decent communities in which every person can experience God's love and can live and grow into all that God intends.

About the ReStore

The ReStore is a building material surplus shop that IS open to the public. Our goal is to keep as much as we can out of landfills, and to provide an affordable solution for building materials, appliances, and other miscellaneous items, to everyone. All merchandise sold has been donated by individuals, and companies. All items donated are sold at 50-90% below retail prices, or at times used in the building of Habitat homes.

**Benefits of shopping/
donating at the Habitat for
Humanity
ReStore...**

- All proceeds from the ReStore go into building decent affordable housing in Lenoawee County.
- All donations are tax deductible.
- The more donations received the more the community benefits from being able to buy affordable, slightly used materials.
- Products are always 50-90% below current retail prices.
- Recycle! Keep building materials out of the landfills and help the environment by donating to the ReStore.
